Awards Presentation	Glenn Hunter	
Coaching	Rod Collins	
Communications	Larry Stanton	An overview of the various programs involving communications: Aux Mon, Aug Mon, Land Mobile, Aux Watch Officer, ARMS- response, VHF NET, HF NET, Contingency Communications, Crew Radio Operators, OTREX AUX COMMS. Review of the 7004 form and TCO-PQS.
Core	Rod Collins	Do you know when your Core Training expires??? 5 of the Core Value (mandated training) classes must be retaken every 5 years, so you might be due this year! We will be offering the 5 recurring courses over 4 hours: <ul style="list-style-type: none"> <li>• Workforce Resilience Training</li> <li>• Civil Rights Awareness</li> <li>• Privacy at DHS/Protecting Personal Information</li> <li>• Security Fundamentals</li> <li>• Sexual Harassment Prevention and Response</li> </ul>
FIRST AID ON AUX PATROL AUX HEALTH SERVICES	Vic Connell	This class will review First Aid scenarios that Boat Crew may encounter while on Patrol and will also discuss opportunities for Auxiliaries health care providers to support CG Stations, Clinics and Sickbays. This is NOT a First Aid/CPR/AED certification class; it is an overview of common First Aid topics that may be encountered while underway and a review of other CG Health Services support opportunities for trained and/or certified personnel. (COMO Vic Connell, MD is a physician and surgeon who served as Past Chief Medical Officer for the Auxiliary and volunteered as a Medical Officer at CG Clinic TRACEN Petaluma for 15 years.)
Generations	Dale Farjardo	
Getting round in AUXDATA	Pam Berger	
HOW TO ORGANIZE AND CONDUCT - SHORELINE CLEANUP" .....AND....."INTRO TO COMPLETEING UPVE...NEW PROGRAM	Joseph Chaven	

Subject	Instructor	Description
HR Presentation	Lou Sarto	
Instructor Qualification Process	Sean Harvey	Instructor Qualification Process. Does your flotilla or division need more instructors for MT or PE purposes? This seminar will walk you through how to qualify new instructors under the Instructor Development Course 2020 framework. We'll discuss what the process looks like, where the relevant materials are, and who is responsible for doing what. All are welcome, but we especially enjoy seeing instructors, instructor trainees, FSO-MTs, FSO-PEs, SO-MTs, SO-PEs, VFCs, and FCs.
Interper Corp - how to get involved	Ricardo Monero	The Auxiliary Interpreter Corps provides language support to the Coast Guard (and other agencies) all over the world, deployed in cutters, air operations, leadership conferences, online, and in many other ways, often working side by side with Active Duty. During this interactive session, we will talk in more detail about the missions we support, how to spread the word to your local station or command, how to use the Interpreter function to recruit and retain members, and how you can get involved, even if you do not speak a foreign language
INTRO TO MS D11NR	Joseph Chaven	Then a NEW Course offering with Jeff Fite and Morgan Swiggett co Instructing this Course which may be a combination ....We have developed...and successfully Utilized.. This is on the "How to Complete UPVE Online PQS Courses, and Shoreline Cleanup How To Organize and Conduct" Workshop this would be 2 hours..... Our third Probable Course will be Again same as Last Year 2 hours, with Jeff Fite and Myself as co Instructors
New Coxswain & Boat Crew Certific	Wally Smith	Many questions have arisen with the recent promulgation of the new Qualification Handbook and the new Training Handbook for Surface Operations. This class will focus on changes to the Boat Crew and Coxswain qualification and requalification requirements, annual currency maintenance tasks and the tracking thereof, vision testing, night certification requirements, REYR status, and a primer on night operations. This class is important for Boat Crew and Coxswains for awareness of the new requirements to become "qualified" or "requalified" and to retain certification year-to-year.
PA Class	Jane Smith	Public Affairs is a Critical Mission for the Auxiliary. This class is a comprehensive primer of Public Affairs (PA) and will include topics, such as, Objectives, Responsibilities, Activities, Challenges, Reporting and Do's and Don't. This class will be invaluable to all members whether now involved with PA or those who may want to become involved in PA.
Paddler's Guide to Safety	Sean Harvey	A Paddler's Guide to Safety. Come and learn more about the PE component of the Auxiliary's AUXPAD Ashore program - A Paddler's Guide to Safety. This session includes a sample run-through of the course as well as a discussion of best practices regarding offering the course in your AOR. All are welcome, but we especially enjoy seeing instructors, instructor trainees, FSO-PEs, and SO-PEs.
PPE	OTO Perez	
Preparing for an OPTREX	Mike Williams/Tony Zocchi	Plan a zoom session after N-Train
Proper Uniform	Dale Farjardo
