

Class	Description
Interpreter Corps	"Got Language?" The US Coast Guard Auxiliary Interpreter Corps does!  Our dedicated volunteers bridge communication gaps on the water, ensuring safety for all. Fluent in diverse languages, we assist non-English speakers during emergencies, support international cooperation, and promote boating safety. From search and rescue, deployments aboard cutters, and assisting in critical missions, our interpreters play a vital role in safeguarding our maritime environment. "Join our mission today!". Instructor: Denver Drieberg
Core Training	Do you know when your Core Training expires??? 5 of the Core Value (mandated training) classes must be retaken every 5 years, so you might be due this year! We will be offering the 5 recurring courses over 4 hours: • Workforce Resilience Training • Civil Rights Awareness • Privacy at DHS/Protecting Personal Information • Security Fundamentals • Sexual Harassment Prevention and Response. Instructors: Ann Zocchi/Tony Zocchi
TCT Refresher	Annual Refresher. Instructor: Morning Session: Mike Rafatti, Afternoon Session: Wally Smith
Surface Operations program and Policy Updates	Class on all the new surface operations forms. The class description would be "A comprehensive presentation covering the new operational forms and processes including Initial Pre-Qualification Tasks, Requalification Tasks (3-year check ride), Drill Sheets, Annual Task Tracking, Operational Excellence Program, Night Certification, and REYR/REWK." Instructor: Wally Smith
Active Duty Recruiting	The leadership of the Coast Guard has declared active duty recruiting as "mission critical". In response, the Coast Guard Recruiting Command has requested the formation of the Auxiliary's Coast Guard Recruiting Support (CGRS) Division. This division will support local recruiting office activities and increase remote recruiting efforts as a true "force multiplier".  We encourage you to attend this workshop if you are interested in working alongside active-duty Coast Guard personnel and making a real difference in addressing a "mission-critical" need of the Coast Guard. Come and learn how you can be an integral part of the recruiting team. Instructor: Bob Gleason
Drill Sheet Drilldown	This session is for surface operations folks and will examine the required evolutions during an initial or recertification checkride. Instructor: Paul Verveniotis
Ops Workshop	Annual Workshop. Instructors: Morning Session: Ann Zocchi, Afternoon Session: Mike Rafatti
VE Workshop	Annual Workshop. Instructor: Laurence Boag
Leadership	Hour 1 - How to Be Successful Serving Alongside Our Active Duty Member This is an examination of the many different ways to be successful, be value added and have tremendous fun while serving alongside our Active Duty Members. This will be a combination of presentation and discussion. The hope is to inspire and motivate more Aux members to

	<p>serve. Bottom lien for you our member, you are need now more than ever before. Instructor: Jim Losi</p> <p>Second hour - 1500-1600 - (Auxiliary Cutterman's and CG Communication Watchstander programs) - An overview of the Coast Guard Auxiliary Cutterman and Communication Watchstander Programs, including training requirements, qualifications and augmentation of Active Duty operational programs. Instructor: Curtis Han, Alex Urciuoli and Morgan Curtis.</p> <p>Hour 3 - How to Build Your Auxiliary Portfolio of Activities This will be an exploration of the various strategies for creating your own custom Auxiliary portfolio of activities meeting your needs for fun and fulfillment while supporting the overall Aux and USCG mission. Instructor: Jim Losi</p>
<p>Color Guard and Honor Guard</p>	<p>The class will consist of information regarding the membership and opportunities for being involved with the activities that are available.</p> <p>Requirements for membership with the USCG AUXILIARY CG/HG will be discussed during the time allocated.</p> <p>Questions will be answered. Instructor: Michael Mitchell</p>
<p>Marine Safety</p>	<p>How to Organize and Conduct a Successful Shoreline Cleanup</p> <p>Where can you go that combines marine safety and environmental protection, fellowship, public affairs opportunities and more without the need for a single qualification? The answer is a shoreline cleanup! If you are ready to take the next step and coordinate your own event, this is the class for you. We will discuss everything you need to organize and run your own cleanup including following the official Coast Guard Auxiliary Shoreline Cleanup Guide, how to request orders for the event, the proper mission code to use when logging hours for yourself and those in attendance as well as some general tips and tricks to ensure a successful day for you and all those who volunteer. Instructor: Joseph Chavoen</p>
