The Flotilla Commander and the person requesting a QE (Roger Haynes in this OPTREX) are responsible to verify that all persons he/she submits to meet with a QE are properly prepared before a Qualified Examiner is requested. Therefore if the candidate plans to go to another Flotilla or a Division's event, the Flotilla Commander should pass all supporting documents (copies if desired, including signoff manual) to the person who will be verifying the quals at the event outside of the candidate's Flotilla level. The Division member will be requesting the Qualification Examiner(s).

Proficiencies both dockside and on the water; will be demonstrated for the QE's signature. If candidates come from more than one Flotilla please have all candidates' names on one form. *Only one form per QE session including all candidates and only one person should be requesting the QE's*
