ABBREVIATED OCT REPORT:

We are all very aware of the situation in Washington and the way it is affecting our missions. All the information gathered for the October report is on the Coast Guard computer at DIRAUX and not available at this time. The OTO corner as well as other information will be sent out as soon as we are back to a normal schedule. Meanwhile please accept the below "tidbits".

REIMBURSEMENTS SUBMITTED:

Double check that all of your completed patrols have been filled out and submitted for Fiscal Year 2013. It is unknown what and when the reimbursements will be received but please double check that all have been submitted.

AMERICA'S CUP FINAL REPORT:

Thank you to Linda Vetter for all her hard work in coordinating an almost impossible situation.

All, There were 74 recorded patrols by a dozen Aux. boats for AC34, with the boats/owners representing 6 of the 10 Divisions in District 11N, with of course crew from across the District as

well. Many did MANY patrols out there (half did 5 or more). Thanks to all the Aux. for their help throughout this nearly 3-month long "regatta". We appreciate your help, cooperation, and of course flexibility throughout!

Linda Vetter

SF Bay Auxiliary Patrol Area Coordinator

SPLASH IN AT CLEAR LAKE:

The weekend of September 28th brought many float aircraft to Clearlake. Small seaplanes (Cessna 150s) to the larger and far more powerful twins took advantage of gorgeous weather and fun events. The photo below shows the Farnholtzs' giving a lift to the crew of the Gruman G-73 Mallard float plane to

shore.

UNCOMPLETED OPS/QE EVENTS:

As soon as feasible all those needing Qualification rides with QEs will be taken care of. Just need to be able to assume our missions for this to occur.

As always the Auxiliary is **Semper Gumby** :The real [Latin](#) phrase meaning "*always flexible*" is *Semper Flexibilis* is an unofficial motto for all U.S. [military](#) services Explosive Ordnance Disposal (EOD) detachments and later on for [Navy](#) Seabees. They have been using it since at least 1985. It is a play on the official [Marine Corps](#) motto *Semper Fidelis*, usually abbreviated *Semper Fi*, which means "*always faithful*" and that of the [United States Coast Guard](#), *Semper Paratus*, meaning *Always Ready*, Navy fast attack submariners, and USCG personnel, "Semper Gumby", refers to the [cartoon](#) character [Gumby](#), means "*always flexible*."
