The OPTREX schedule in detail.

May 30th final date for registering which GUARANTEES if you are completely ready, you will meet with a QE on June 22nd provided you are familiar with the boat BEFORE June 22nd. Registrations received after that date, and any members who complete their required tasks after May 30th may request to be placed on the stand-by list and meet with the QE on a space available basis. This date is selected to give the QEs time to check your records, to schedule their time, for us to locate boats, etc.

No later than June 21st boat familiarization, U/W practice. You must be familiar with the boat you will be on with the QE. If you are not familiar YOU need to arrange a time and place for familiarization before June 22. The Flotilla Commander and the person requesting a QE (George Prows in this OPTREX) are responsible to verify that all persons he/she submits to meet with a QE are properly prepared before a Qualified Examiner is requested. Therefore if the candidate plans to go to another Flotilla or a Division's event, the Flotilla Commander should pass all supporting documents (copies if desired, including signoff manual) to the person who will be verifying the quals at the event outside of the candidate's Flotilla level. The Division member will be requesting the Qualification Examiner(s).

Proficiencies both dockside and on the water; will be demonstrated for the QE's signature. If candidates come from more than one Flotilla please have all candidates' names on one form. *Only one form per QE session including all candidates and only one person should be requesting the QE's*
